When we opened in 2013, all we served were Pizzas, handmade by Ash with only the occasional helper. We have come a very long way since those days, as you can see by our full menu. Still made from the same recipe 8 years later, this is our heart and soul and where it all began.

HARE AND HOUNDS UPDATE

So after all the challenges of 2020, for the Hospitality industry it seems they will continue through 2021.

Firstly we would like to thank all our customers for their support during 2020 and their willingness to return as we re opened earlier in the year, and their patience with us as we figured out ever changing systems, always with the aim to provide the best service we possibly could.

We are incredibly fortunate that the pub has been busy since re opening in May. We are incredibly fortunate to have a fantastic and exceptionally hard working team that have returned from furlough willing and able and happy! We have also managed to recruit for this summer so there are some new faces about.

It has not all been plain sailing though and with the exceptional circumstances of this year in mind we have made the decision to split our service on the week days. We will no longer serve food between 3 and 5pm Monday to Friday. This is a temporary measure, and all day dining will return on Monday 6th September, and will continue on Saturdays & Sundays throughout.

All our decisions, on our service, staff structure & menu design are based on the premise that we want to provide the best service we can, the best and most consistent food quality we can, and a happy and settled team who will be able to continue to deliver to our customers day in day out.

We hope you understand and we hope you enjoy your visit to the Hare and Hounds – get served at the bar, masks are optional and enjoy yourself.

Wishing you all the best, Becky & Ash
