## HARE AND HOUNDS UPDATE

It's great to feel we have the pub fully back after the two years of Covid and all the challenges they contained for our industry.

People are drinking at the bar again, enjoying meeting up with friends and family again and the team are as always happy to be a part of a busy and bustling village pub.

We have cross trained many of our lovely team members so we can stay open 7 days a week and keep hoping to serve everyone with our usual high standards and friendliness. We would like to thank all those in our team who have embraced new roles (alongside their old ones!).

We will maintain the gap in our food service during the week, but are delighted that we can continue to serve food all day on Saturdays and Sundays.

We are also particularly excited about our first Easter & Mothers' Day for two years, as we were closed for the last 3 due to Covid. It will be lovely to welcome people back for such special occasions.

As always we hope you enjoy our new menu, our new drinks, and our loyal and hard working team, learning new skills and trying new things so we can keep the Hare and Hounds the busy village pub it has become.

It will be 10 years next year of mine & Ash's ownership of this pub, so watch this space for some well deserved celebrations!

**Wishing you all the best, Becky & Ash**

We have free WIFI throughout the pub & rooms. Google at will.
