

Okay, so well done. You got to the end of the drinks list.

Hopefully by now you've had a drink or two.

You have certainly earned one.

Becky & Ash

Don't forget we have four gorgeous, comfy and quiet en suite letting rooms upstairs, and our suite the Barn Annexe. Prices range from £100 to £220 a night for bed and breakfast.

And it is a great breakfast.

Please enjoy perusing our fabulous drinks list!

We have a great selection of local ales — always changing so just ask what is on today. We have lagers, a wheat beer, dry cyder and fruity ciders all here for you to read about.

We create our own delicious cocktails as well as showcase a few classics if you want to make our bartenders earn their keep!

We have recently added a bit more to our alcohol free range with a 0% fruity cyder, a low alcohol ale and a non alcoholic botanical spirit so you don't have to have the booze to still enjoy the taste and style.

We have always tried to purchase as locally as possible and are very lucky in Cumbria to have lots of great, small beer producers. We are lucky to have a pub in Cumbria where we can buy directly off these brewers (and get to know them!) Our house sprits are also distilled in the Lakes.

For wines we hope we have provided you with a good choice. We like to try and represent great examples of great grapes. We serve a wide selection of house wines by the glass, small & medium and then we have carafes so you can enjoy just the right amount.

We would never forget those soft drinks — for kids and adults. We have put together a range of drinks that we like to think are a little bit more interesting (check out our Mocktails!) and certainly a refreshing choice.

We hope you enjoy our drinks — either with a meal or without and let us know what you think.
